

CI-4 SCREEN AND VISOR CLEANER

Item #: 868065

EAN : 3660338219405

Description

Contains a water-based cleaning solution (tensioactives).

It dissolves dry and greasy stains and removes dust; it does not damage or leave any traces on the cleaned surface.

It cleans screens (LCD, plasma, computers, tablets, smartphones, etc...), protection glasses and visors (polycarbonate) as well as all other modern surfaces.

Applications

For professional use only.

Cleaning of computer screens, protective goggles or visors, modern surfaces...

Characteristics

- | | |
|----------------|-------------------------|
| - Gross volume | 210mL |
